

## Triathlon Queensland

### Mixed Relay Selection Policy

#### 1. NOMINATION PROCESS

- 1.1. All athletes must follow the nomination process set forth by Triathlon Queensland (TQLD). No exceptions will be made;
- 1.2. Athletes must register for the event and request a nomination to a Mixed Relay (MR) race [here](#) by the TQLD nomination deadline for that event. No other form of request will be accepted (including email with staff and in person communication);
- 1.3. TQLD deadlines are midnight four days prior to the event deadline unless otherwise identified in the table below;
- 1.4. Withdrawal deadlines: any change to health status or availability must be communicated as soon as possible to [pathways@qld.com.au](mailto:pathways@qld.com.au).

| Event   | Event Deadline | TQLD Deadline          | Event Date                    |
|---|----------------|------------------------|-------------------------------|
| Australian Mixed Relay Championship Youth and Junior – Werribee South Beach | 1 day before   | Nominate 4 days before | 30 April- 1 <sup>st</sup> May |

#### 2. ELIGIBILITY

- 2.1. Be a current financial member of Triathlon Australia and hold a Junior Standard or Premium Triathlon Australia membership required for the event;
- 2.2. Be Draft Legal Endorsed;
- 2.3. Be an Australia citizen;
- 2.4. Be in good standing with Triathlon Queensland;
- 2.5. Have submitted all nominations and communications to Triathlon Queensland;
- 2.6. Have registered for the event.

#### 3. SELECTION PROCESS

- 3.1. Selection of individual athletes for MR teams shall be at the absolute discretion of a panel of no less than two members. Member's must be someone whom does not serve in the capacity as a personal coach to athletes;
- 3.2. Selection into the MR race does not require participation in additional races run within the event nor guarantee a start in individual race at the same event;
- 3.3. The panel will consider a range of factors of the nominated athletes that may include, but are not limited to, the following:
  - 3.3.1. 2022 Junior Oceania Championships Individual race/ Youth Super Sprint individual (Werribee South Beach)
  - 3.3.2. 2022 Performances at AY&J Championship events (Devonport Tri/ Australian Super Sprint Championships)
  - 3.3.3. 2021 QLD Super Sprint Race Weekend Performance.
  - 3.3.4. Previous Performances in 2021.
  - 3.3.5. Athlete injury and health status.

- 3.3.6. MR teams are made up of 2 male athletes and 2 female athletes. TQLD will select 2 athletes per gender to make up the team along with at least one athlete per gender to serve as alternates should there be any injuries, illnesses or extenuating circumstances.
- 3.4. Initial team rosters are tentative and will be determined as early as possible after the WORLD TRIATHLON/Event Nomination Deadline to enable optimal event preparation. Rosters are not final and confirmed until the WORLD TRIATHLON or event roster deadline for the event (24 hours prior to event typically at the Mixed Relay briefing).
- 3.5. The selection panel may also consider other criteria at their discretion to maximise team performance for example team dynamics, team compliance, relay experience and other subjective criteria.
- 3.6. Commitment to TQLD relay roster as an alternate.

#### 4. ANNOUNCEMENT

- 4.1. Final Team rosters will be determined by TQLD as per WORLD TRIATHLON and/or event rules;
- 4.2. Triathlon QLD will equally support all MR members including alternates within available resources;
- 4.3. Athletes selected as alternates are considered to be part of the team and expected to retain competition readiness through till 2 hours prior to the event;
- 4.4. Athletes will be notified following the TQLD deadline of successful team nominations in writing.

#### DEFINITIONS

**Alternates** – team members who maintain competition readiness until the day of the event. In the event of a racing team member notifying TQLD of extenuating circumstances the team member alternates will be used to race in their place.

**Extenuating circumstances** – the inability of an athlete to compete or perform at an optimum level due to factors which occur to them (during a race event, in testing or at another time) including but not limited to the following:

- a) Injury or illness;
- b) Travel delays;
- c) Equipment failure;
- d) Bereavement or personal misfortune;
- e) Any other factors considered by the selectors to contest extenuating factors.
