

Important Event Notification and Changed Traffic Conditions for Wellcamp Business Park & Wellcamp Airport.

On **Saturday July 30th** we will see the return of the Wellcamp Airport State Duathlon Championships.

The event comprises a run followed by a bike followed by a 2nd run. The event hub will be in the lower grassed area near the airport terminal (Start & Finish line, Transition, Food and Toilets etc).

For more event information please see the attached event information:

https://www.triathlon.org.au/State_Associations/QLD/qld/Events/Our_Events/Wellcamp_Airport_Duathlon.htm

The Event will operate from 12noon until approx. 3.30pm. Changed Traffic Conditions will be in place starting from 10am and finishing at approx. 3.30pm to allow the safe setup and delivery of the event in particular the cycle section on one side of the roads utilised.

Throughout the event vehicle access will be maintained in the precinct but please note that there will be changed traffic conditions and 2 stop-go areas in place as follows:

International Drive

2 Way car flow will be installed on the eastern side to allow cycling on the western side (airport side). This will include cones and directional signs to keep cars in the left lane in each direction. 2 Way flow on this side will be operational from approx. 10am to allow safe setup of the cycle course for the event.

Airport Drive

2 Way car flow will be installed on the eastern side to allow cycling on the western side (airport side). This will include cones and directional signs to keep cars in the left lane in each direction. 2 Way flow on this side will be operational from approx. 10am to allow safe setup of the cycle course for the event.

From 11am a Stop-Go Section will operate for the last section on the approach to the Airport Terminal (after SPCA and through to the lower roundabout). Please allow for 2mi extra travel time for us to safely move you through this area at this point between 11am and approx. 3.30pm.

Access to and from the buildings near the terminal, the drop off and pick up zones and both car parks will be via the Western Carpark access road. Please follow the signage for both entry and exit.

Technology Drive

From 12.30pm a Stop-Go Section will operate for the last section on the approach to and from International Dr (from the Quarantine Hub entrance). Please allow 2min extra travel time for us to safely move you through this area.

If you are accessing or exiting during the event, please follow the directions of the traffic controllers on duty who are there to assist you and keep everyone safe.

If you have any questions or wish to discuss please contact the organisers who can walk through any details of the traffic management plan.
