

Triathlon Head Coach – Talent Development Academy

Sheldon College

Sheldon College has recently announced a strategic partnership with Triathlon Australia. Through this partnership Sheldon College will establish a Triathlon Talent Development Academy which will allow young athletes to train in a centre of excellence under the guidance of specialised triathlon coaches.

As part of this exciting new partnership Sheldon College is seeking a Head Coach. The role will be a full-time position commencing in November 2012.

The successful candidate's experience and qualifications should include:

- Tertiary qualifications in education, coaching or a related field
- An NCAS Level 2 Triathlon Coaching accreditation
- Demonstrated success at triathlon coaching for junior athletes aged 12-18
- An understanding of the application of principles of coaching, sports science and technology within an athlete development environment
- An understanding of the Triathlon Australia & Triathlon Queensland athlete development pathway
- Demonstrated knowledge of the demands and dynamics of ITU draft-legal triathlon racing

Candidate skills and personal attributes:

- An ability to lead and influence others towards a common goal
- An ability to communicate information in a clear and concise manner
- Excellent organisational and prioritising skills
- A willingness to work non-standard hours

You will need to be a highly motivated coach capable of working with minimum supervision and effectively communicating with internal and external stakeholders.

The salary for this role will be commensurate with experience.
